

11 April 1977

NOTE FOR: NIO/NESA

Dave,

STAT
STAT
STAT

Dick Lehman met with Ambassador Little, Chairman of the Human Resources Committee, on Friday, April 8th. They agreed tentatively that a FOCUS [] is desirable, after you finish [] but Ambassador Little wishes to talk to the new Ambassador [] before making any final decision. [] was discarded as a country on which a FOCUS exercise might be done. Do you have any other suggestions; we need seven or eight more in calendar 1977.
